

SCCA – Chattanooga Chapter #94 -- meeting minutes
Thurs June 20, 2013 at O'Charlies, Hixson

In Attendance: Eric Anderson, Corey Simmons, Berry Langley, Brian Millsaps, Randy Slomian, Jeff Appelbaum, Rick Reynolds, Phil Fitzmaurice, Max n Brooke Appelbaum

Meeting opened at 6:57pm – meeting date was moved up 1 week due to members unavailable previous week

Cho – Treasurer's Report, etc:

- “The Treasurer is a douche, and you can put that in the minutes”, said Mr. Corey Simmons, in self-referral, after he locked himself and the past treasurer out of our SunTrust online banking for failure to remember the password. Ergo there was no specific report of numbers, however we did make \$685. at our May autocross, despite the rain.
- It was discussed that we should NOT use that event as our charity event of the year, owing to the bad weather that pretty much killed the charity part. We decided to retry for October 13, as the weather should be nicer and general consensus was that this did not conflict with other area events that we know of.
- Cho is **STILL** (month 4 in a series) going to research the cost of 50 new cones, pricing black base vs. solid

Berry & Cho: trailer update:

- Trailer is now at Cho's house. All old vinyl and adhesive has been removed and is ready for new wrapping. White gloss vinyl was chosen and prices of ~\$275 per roll, needing 2-3 rolls, was quoted. Berry to check on PrintTree for follow up on vinyl details.
- Interior is needing some work. It was decided that a certain past member could be enticed to do cabinetry and other wood working for a simple case of Pabst Blue Ribbon and a carton of cancer sticks.

OTHER:

- It was insisted that in the minutes, I report the following:
“Dr. Jeff asked the meeting to get back to order at 7:16, and he only had 1 drink”
- Details for the Walker Valley HS event were discussed.

Meeting closed 7:30pm --- Dr. Jeff, 6/21/13
